Monday, 19 August 2013

PrepVolleyball.com proudly presents its pre-season top 20 high school volleyball teams in the country for 2013.

2013 Century Club Rankings Nos. 1-20

16. **Coppell** (Texas)

Last year's record: 50-3; 2012 final ranking: 10

The Cowgirls lose only four from last year's championship team, but they'll have to replace some serious firepower, as MB **Chiaka Ogbogu**, RS **Erica Bohannon** and OH **Cassidy Pickrell**, who all also won 18 Open at USAV's Junior Nationals with TAV, have graduated. Still, coach **Julie Green**, who has presided over consecutive state championship teams at Lake Travis and Coppell, has a lot of talent returning in the likes of super setter **Kylie Pickrell**, PrepVolleyball.com's 2012 National Sophomore of the Year, and hitters **Mary-Kate Marshall**, **Cathryn Cheek** and **Kate Dicken**. They should be more than capable of picking up the offensive slack, while **Alex Silver** and **Ashley Rich** are battled tested and will anchor what should be a very good back row. Despite the losses to graduation, this is a team more than capable of making it three state titles in a row and has shown it by opening the season 9-1, with wins over nationally-ranked Bishop Lynch and Reagan so far and a lone loss in the Pearland final to No. 11 The Woodlands.
